

SUPER SCIENCE FEATS: MEDICAL BREAKTHROUGHS

# X-RAYS

## TRY THIS!

### MAKE A MOCK X-RAY

X-rays help us see inside the human body. Find out more about the bones in your hand with this activity.

#### What You Need:

- white chalk
- black construction paper
- computer or tablet
- scissors
- Q-tips
- glue

- 1 Using the chalk, trace the outline of your hand on the paper. Keep your fingers spread apart.
- 2 Research what bones are in your hand. There are 27 in all!
- 3 Cut the Q-tips to create each of the "bones."
- 4 Glue the bones in their correct locations.
