## Leveled Educational Fiction from Jump!

Grasshopper offers fun, playful titles that connect with young readers' interests while also teaching them about important, curriculum-aligned subjects. Colorful, fully-illustrated spreads appeal to a child's imagination, and carefully leveled text supports literacy development and ensures a successful reading experience for emergent and early-fluent readers.

## Key Features of Grasshopper Books

Grasshopper Books are organized in three levels so educators can be confident that the subject matter, text load, and design features are on-target for their young readers.

## FIRST EXPERIENCES NEW SERIES!

First experiences can be intimidating, and children may have a hard time navigating their emotions and reactions to these situations. In this series, beginning readers will follow young characters who are experiencing new situations or relationships. Social and emotional learning (SEL) concepts aid the reader in understanding the specific emotions and body sensations that can accompany each and help them prepare for the experience, while sight words, tightly controlled vocabulary, and repetitive text patterns and sounds help develop reading skills. Bright, fun illustrations match the storylines and enhance imagination while readers learn healthy ways to navigate new situations.

## LET'S LOOK AT BODY SYSTEMS! NEW SERIES!

*Let's Look at Body Systems!* introduces early fluent readers to the body's seven systems with fun and informative storylines. In each book, a fictional child character investigates a specific body system, learning how it helps him or her function each day. Bright, detailed illustrations show the body parts and system processes, matching the storylines and enhancing imagination, while tightly controlled text helps enhance reading skills. Readers will learn what parts and processes of the human body are involved in each body system, all while getting a look inside!

**SPOT THE DIFFERENCES NEW SERIES!**

Readers will learn to distinguish common animals while learning about their appearances, habitats, and behaviors with this fun, interactive series! Carefully leveled text relays information about both animals and asks readers to name which is shown in the photos. Answers appear upside down on the bottom of each page, making reading for learning easy and fun. A See and Compare feature shows both animals side by side, labeling their body parts so readers can easily compare their physical similarities and differences, while a Quick Facts feature lists information about each animal's size, behavior, and habitat. Each book also includes picture labels, reading tips for teachers and parents, a table of contents, an index, and a picture glossary.

What do you want to be when you grow up? After reading this series, kids will be shouting out answers to that question. *Community Helpers* gives young readers a basic introduction to how people in their communities perform their jobs. A photo diagram at the end of each book highlights places where these people work and the tools they use to do their jobs.

## FIRST LOOK AT LANGUAGES

A simple narrative in English follows one character through a typical day. Everyday settings and photo labels introduce vocabulary in the new language. Each label features the English word, translation, and pronunciation of the translated word for easy understanding. Each title is translated by a native speaker and includes an introduction to the language and instructional book guide. Lists and diagrams of common phrases, colors, and numbers round out each title, further introducing readers to the language.
