DECODABLES

BY **jump!**

A comprehensive and sequenced approach to phonetically decodable reading

Decodables by Jump! begins with the very basics of phonetically decodable reading. Starting with the earliest step of CVC (consonant, vowel, consonant) words and building on this combination slowly, the reader follows a prescribed format supported by the science of reading to encourage reading development. This systematic and sequential approach supports most phonics programs.

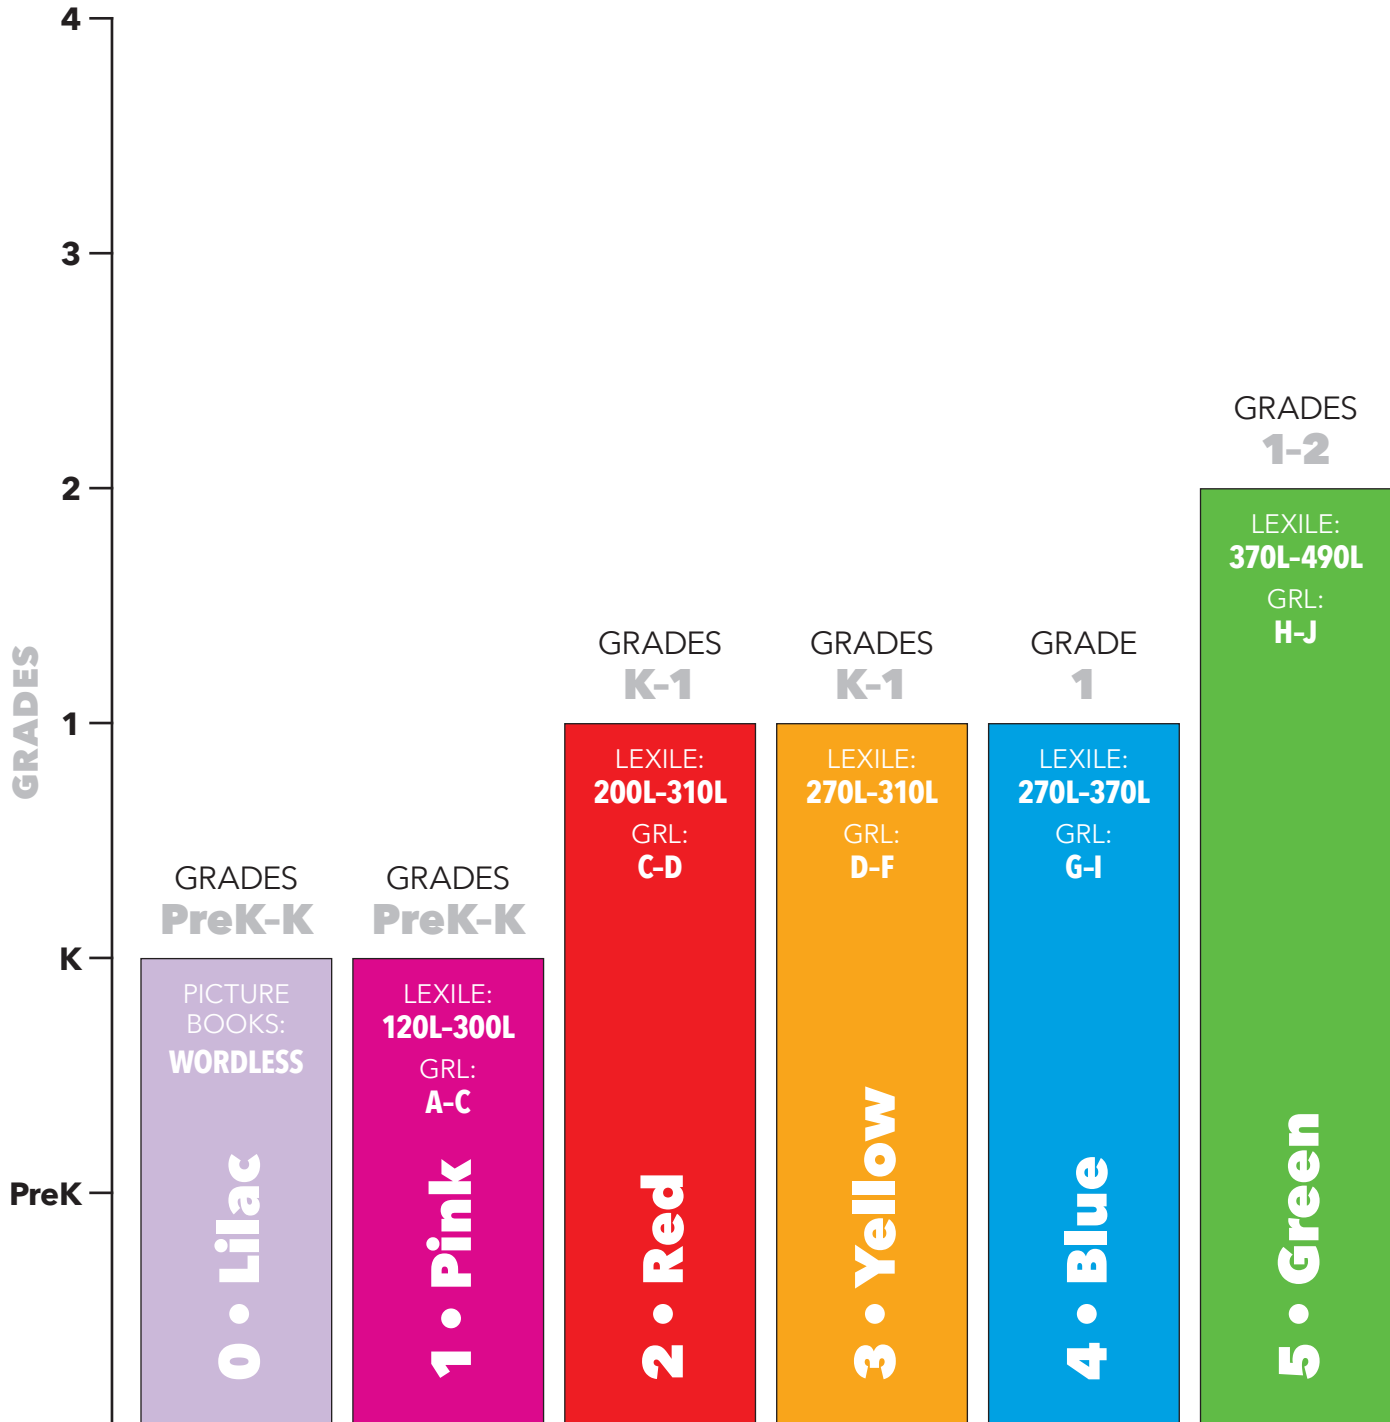

- **46 nonfiction titles across 12 levels!**
- **Real life photos engage readers curious about the world**
- **Include teaching tips, comprehensive questions, and phonics exercises**
- **Teacher Resources and additional phonics exercises available for each book**

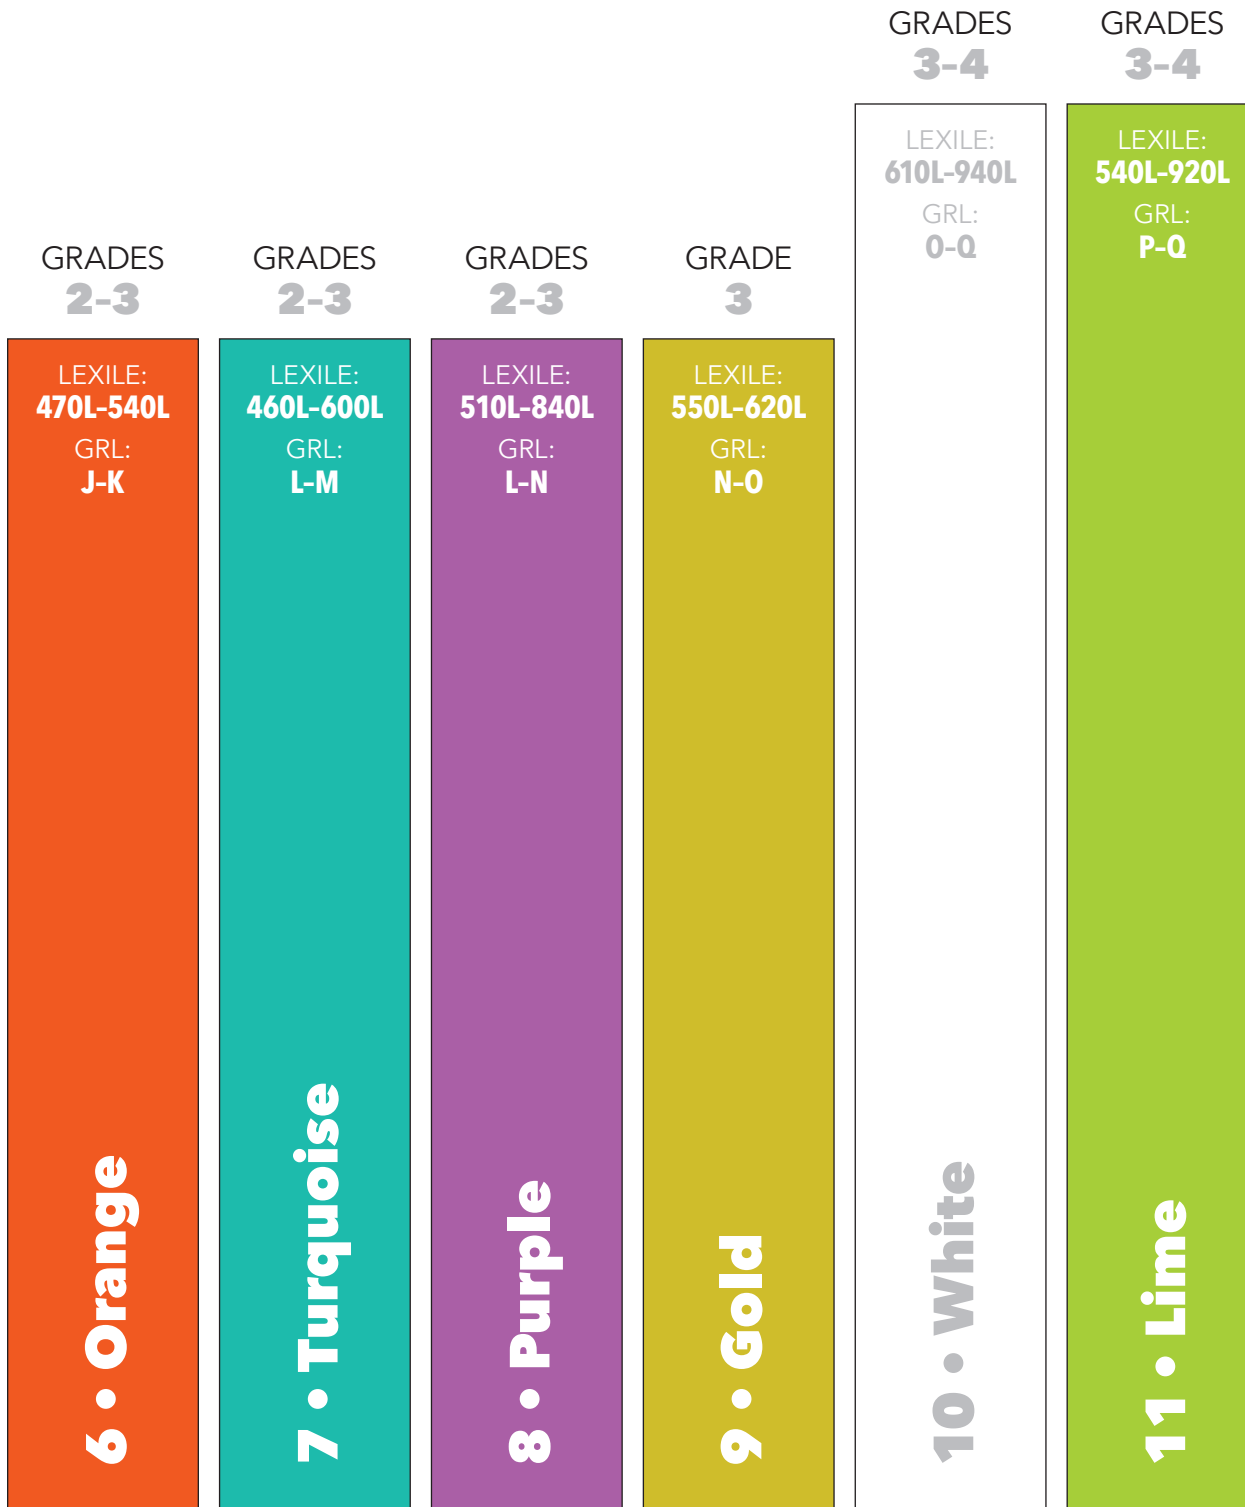

❑ **Complete Set of 46 Titles:** \$1,152.58 List **\$839.70 Library**

Decodables by Jump! Color Band Levels

Decodables by Jump! is organized by level and color bands, providing a consistent and structured approach that helps guide and support reading instruction. As the reader moves through the color band levels, the level of repetition and sentence structure complexity all advance at a rate which encourages development and reading confidence.

IMPRINT SUMMARY

Grasshopper offers fun, playful titles that connect with young readers' interests while also teaching them about curriculum-aligned subjects. Colorful, fully-illustrated spreads appeal to a child's imagination, and carefully leveled text supports literacy development and ensures a successful reading experience for emergent and early fluent readers.

Grasshopper Books are organized in three levels so educators can be confident that subject matter, text load, and design features are on-target for their young readers. Relatable characters and engaging narrative stories tie in to school curriculum and focus on science, language arts, SEL topics, and more.

RL: Grades PreK-3 • IL: Grades PreK-5 • ATOS Level: 0.7-3.5 • GRL: A-P • Pages: 16-24

Tadpole books are designed for students learning to read and offer the perfect first nonfiction experience.

Developed to support reading instruction, each book features predictable and repetitive text patterns and includes familiar high-frequency words. Age-appropriate subjects, vibrant photos, and thoughtfully crafted text help the youngest students learn to read their very first nonfiction books.

RL: Grades PreK-K • IL: Grades PreK-1 • ATOS Level: 0.5-0.9 • F&P: A-E • Pages: 16

Bullfrog is designed for beginning readers in grades K-2. These low-level, high-interest titles help young readers bridge the gap of understanding between the text on the page and its reference to the world.

Bullfrog Books help readers understand key features of text, build vocabulary, identify main topics and themes, and explain how images contribute to and clarify a text.

RL: Grade K • IL: Grades K-3 • ATOS Level: 1.0 or lower • GRL Range: D-G • Pages: 24

POGO STEM

Pogo STEM books are designed to interest children in science, technology, engineering, and mathematics topics as they practice navigating increasingly complex nonfiction. High interest topics such as robots and natural disasters are tied to STEM curriculum and the Next Generation Science Standards to create books that are both educational and fun to read.

POGO SOCIAL STUDIES

Pogo Social Studies books focus on key social studies and C3 (College, Career, and Civic Life) curriculum topics, prompting inquiry and encouraging children to take action. These books are designed to heighten awareness of our changing cultural and physical environments, help readers understand the past, think deeply about the issues we currently face, act in ways that promote the common good, and become knowledgeable and active citizens.

RL: Grade 2 • IL: Grades 2-5 • ATOS Level: 2.5-2.9 • GRL Range: I-M • Pages: 24

Blue Owl Books focuses on health, wellness, and early life skills, covering topics that will plant the seeds for academic success and meaningful, healthy lives. Each Blue Owl Books series introduces topics that will help children develop the ability to recognize and understand their emotions, feel empathy for others, make good decisions, manage stress, establish positive relationships, and cultivate a growth mindset.

EARLY CODING CONCEPTS **NEW SERIES!**

In *Early Coding Concepts*, beginning readers will follow along as characters take part in everyday activities that introduce the programming concepts of sorting, sequences, looping, and conditionals. These storybooks contain sight words, tightly controlled vocabulary, and repetitive text patterns to help beginners develop reading skills. Bright, fun illustrations match the storylines and enhance imagination while readers learn the fundamental basics of computer programming.

FIRST EXPERIENCES

First experiences can be intimidating, and children may have a hard time navigating their emotions and reactions to these situations. In this series, beginning readers will follow young characters who are experiencing new situations or relationships. Social and emotional learning (SEL) concepts aid the reader in understanding the specific emotions and body sensations that can accompany each and help them prepare for the experience, while sight words, tightly controlled vocabulary, and repetitive text patterns and sounds help develop reading skills. Bright, fun illustrations match the storylines and enhance imagination while readers learn healthy ways to navigate new situations.

I SPY SHAPES NEW SERIES!

These fun seek-and-find books combine basic reading skills with shape recognition. Each book introduces the basic properties of a shape and then prompts readers to locate specific descriptive shapes in image collages, such as a red star on the beach or a shining star in the sky. An Answer Key in the back of the book reveals where each shape can be found, and a Let's Review! feature further reinforces content.

SPOT THE DIFFERENCES **NEW TITLES!**

Readers will learn to distinguish common animals while learning about their appearances, habitats, and behaviors with this fun, interactive series! Carefully leveled text relays information about both animals and asks readers to name which is shown in the photos. Answers appear upside down on the bottom of each page, making reading for learning easy and fun. A See and Compare feature shows both animals side by side, labeling their body parts so readers can easily compare their physical similarities and differences, while a Quick Facts feature lists information about each animal's size, behavior, and habitat. Each book also includes picture labels, reading tips for teachers and parents, a table of contents, an index, and a picture glossary.

FIRST LOOK AT LANGUAGES

A simple narrative in English follows one character through a typical day. Everyday settings and photo labels introduce vocabulary in the new language. Each label features the English word, translation, and pronunciation of the translated word for easy understanding. Each title is translated by a native speaker and includes an introduction to the language and instructional book guide. Lists and diagrams of common phrases, colors, and numbers round out each title, further introducing readers to the language.

MY FIRST ANIMAL LIBRARY

Kids love animals. What better way to introduce nonfiction to early readers than with spectacular wildlife photos and easy-to-read text? Labeled pictures help readers identify body parts, and nonfiction stories explain how these animals live in the wild.

COMMUNITY HELPERS

What do you want to be when you grow up? After reading this series, kids will be shouting out answers to that question. *Community Helpers* gives young readers a basic introduction to how people in their communities perform their jobs. A photo diagram at the end of each book highlights places where these people work and the tools they use to do their jobs.

CELEBRATING OUR COMMUNITIES

Our communities are stronger when we take time to understand, support, and celebrate one another. Each title in this series focuses on how kids can practice inclusion, empathy, and acceptance in their daily lives. Key concepts of social and emotional learning (SEL) teach children to manage emotions, establish positive habits in communication, create and achieve goals, and make good decisions.
