Role-play Masks

Color in this mask and use it to pretend to be an elephant. What sound do elephants make?

Date _____ Name _____

Elephants

Phoneme Spotter

Circle all the words that use the "wh" phoneme or the "ph" phoneme. There are six words to find. Can you find them all?

An elephant is a big animal. It has thick skin and a long trunk which it can swing.

An elephant can whip its trunk back and forth. An elephant can sniff the air with its trunk. It can smell a drink from far off with just a whiff.
