Students

Handwriting Practice

Read the sentences aloud. Trace the words to write the sentences.

Now write them on the lines below.

Students are people who are educated on new things.

You do not have to stop being a student when you are an adult.

Students are people who are educated on new things.

You do not have to stop being a student when you are an adult.

Teacher Takeover

You are the teacher! A child in your class has handed in this paragraph about students. Check all the facts and make sure they are correct. Can you find any mistakes? Circle all the mistakes you can find.

You must stop being a student when
you are an adult.

Some people spend several years
getting a degree. A degree is proof
that someone has been successful in
a subject.

Students do not meet together on
a campus. Campuses do not have
places for students to relax.
